5th Quarter FAQ

Where are you located?

Summer classes for the Academy of Advanced Learning will be held on our main campus:
431 N. Sable Blvd., Aurora, CO 80011

What are your hours?

We are open every school day from 7:00 am – 4:00 pm. Instruction begins at 8:00 am and ends at 3:15 pm each day. As always, before-and-after-school care is FREE at the Academy.

Do I have to be enrolled at the Academy to attend?

Yes! You must be a current student at the Academy of Advanced Learning, or already enrolled for the 2025-2026 school year to attend summer school. Please visit our website to enroll: thirdfuture.org/schools/academy-of-advanced-learning/enroll/.

What kind of classes can students take?

All students must take a core content class: math, language arts, or both. Then, they may select 2-3 elective classes, depending on their grade level. We are partnering with professionals in our community to help teach awesome classes such as photography, bicycling, world language, computer science, and virtual reality, as well as our usual elective offerings like dance, art, P.E., and karate. Please note that our elective options may be subject to change depending on the availability of our community consultants and instructors. Please call us at (720) 500-5252 to inquire about the most updated list of offerings.

Will summer classes be offered online?

No, this year all classes for 5th Quarter will be held live and in-person on campus. If you have extenuating circumstances and must keep your kids at home, but still wish to sign up for summer classes, please contact your school administrators to discuss your options.

How long is each class?

Each class is one hour and 20 minutes long. Classes run for 5 weeks, from June 23 to July 19, 2025.

5th Quarter FAQ Continued

Will you serve breakfast and lunch?

Yes! Breakfast will be served before instruction begins, from 7:00 am – 8:00 am. Lunch times vary per grade. Please refer to the schedule.

What is the attendance policy?

Due to the cost of running a summer program, we will automatically withdraw a student who misses more than 4 days of any class. If you have extenuating circumstances, please contact your school administrators to discuss your options. We will work with you.

How can I sign up for classes?

Register for classes by filling out our online sign-up form: forms.gle/dQSpYxxPLqRkQJzn8
Or, use the camera on your smartphone to **scan the QR code below**.
