Duty Schedule:

Make sure you are on time and in your spot for morning duty at 6:30 am and in the afternoon by 4:15 pm. Failure to be in position will warrant extra duty days (up to a week). The duty schedule is always live in the google doc shared with staff. Please do not wait until the newsletter to review duty schedule.

NOTE: THERE IS A CHANGE IN MORNING DUTY FOR 6th AND 7th STAFF, IT WILL NOW BE FROM 6:30-7:45am. We need more eyes on students in the morning. If you have duty prepare your classrooms after school or before duty. Please direct any questions/concerns to Mr. Garza,

Data informed decisions:

Albaugh has shared with you NWEA data per student. Take time to share this with the students and go over goals with them. Use DOL and MRS data to gauge students' understanding and adjust your teaching accordingly. This helps you identify where additional support or challenges may be needed and can be a focal point during LSAE and intervention, or study time .

DATA

Annotations:

The expectation in every subject is that students are completing effective, purposeful annotations, tied to the LO. The presentation of Thursday's PLC has been shared with staff.

Student Attendance/Grades:

It is essential that you are in Focus taking attendance every period, every day. Grades are due every week by the end of the day Friday. Admin will reach out to staff who are failing to take care of Focus directives.

School Visit and SRT:

Teachers please ensure that your classroom is ready the afternoon before both the school and SRT visit. Admin will be walking rooms ensuring that this is done. This means LO and DOL up, copies made and in baskets and all materials ready to go before you leave for the day.

SHOUT OUTS!

- **Thank you teachers and staff who stayed for parent conference nights! We know it was a long week and we appreciate your time.**
- **Thank you Ms. G, Mcleod and P. Garza for presenting lessons on Thursdays PLC your energy is contagious!**
