

# Parnell Community Meetings

Jasper ISD is eager to introduce our new education partner, Third Future Schools who is set to bring fresh perspectives, innovative ideas, and a wealth of experience to elevate the learning experience for our students. This partnership marks a significant milestone in our commitment to providing the best education possible.

**Your voice matters:** This meeting is a forum for your valuable input and feedback. We believe that a strong partnership between the school, parents, and the community is crucial for the success of our students. Your voice matters, and we encourage you to actively participate in shaping the future of Parnell Elementary.
